Care for Creation

As you take the next step, remember the traditional custodians of the land

CARE FOR CREATION CARE FOR OUR FELLOW CREATURES

Woolworths has 19 stores in ACT.

They are now removing all caged eggs from their shelves.

One small thing we can do is to treat the other-than-human beings who inhabit our planet Earth with us as we would like to be treated ourselves.

Currently, a lot of people are expressing concern about the conditions in which caged animals have to live. Money is the impetus behind the commercial practice of caged hens and pigs. They are forced to live in horrific situations which deny them any freedom or comfort.

These animals are not just commodities for us to be able to purchase their products at a lower rate, for our convenience.

Some of the multinational firms are beginning to outlaw caged eggs.

We can help by refusing to buy them, buying free range or organic instead.

Perhaps not such a small thing, after all.

CONSCIOUSNESS WAKING

Consciousness waking,
Holy and whole;
Creation stirring, birthing anew!
Now is the time!
We are the space
For the Holy to rise in our midst.

(Jan Novotka)

Here's a reminder, though, to stop us taking ourselves too seriously!!!
